THE YEAR OF THE FALCON

Maxson Middle School
Plainfield, New Jersey

Mr. Ernest P. Hobbie Principal

TO THE GRADUATING CLASS OF 1979:

As your final year of middle school concludes, you must stop and think about your future years of high school. You must ask yourself these questions: What will I do to make myself more successful? What course of study do I wish to pursue? What activities will hold my interest? How will I prepare myself for my career beyond high school? Finally, what do I think about myself as a person? Am I happy and satisfied with what I have accomplished thus far?

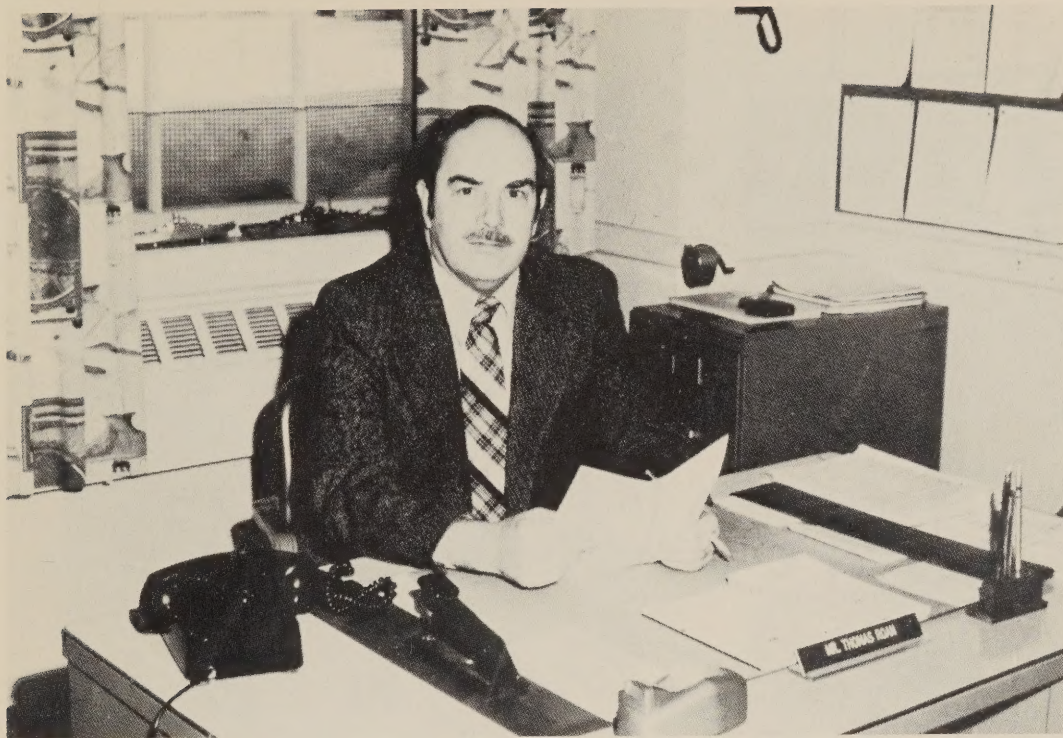

Let's "get it together" for a great high school year. Do your best! Don't be afraid to work hard!

You are the most important ingredient in the formula for success. Seek support, wisdom, counseling from your teachers and parents. Search for knowledge and learn how to apply skills to real life situations. Strive for a target and do all you can to reach that goal.

We wish you success, happiness and good health in the years to come.

Sincerely,

Ernest P. Hobbie
